

Meet Your Physician Assistant

Katie Corgan Mitchell, PA-C

Why I became a Medical Provider

"I have always felt drawn to working in medicine. I love working with people and was fascinated by science at an early age. As I learned more about medicine and then eventually focused on dermatology, I realized I had chosen the right profession. I truly enjoy each day I work and I am so grateful that I found an area of medicine that I enjoy so much."

Fellowship

Physician Assistant Fellowship in Dermatology,
The Medical College of Wisconsin, Milwaukee, WI

MPAS

Marquette University, Milwaukee, WI

BS

University of Notre Dame, South Bend, IN, Science-Business

Certification

Basic Lifesaving and National Commission on Certification of
Physician Assistants

Professional Memberships

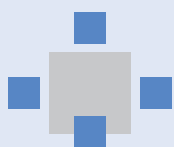

Society of Dermatology Physician Assistants

Department of Dermatology

In the Department of Dermatology, Ms. Corgan Mitchell cares for diagnosis and medical treatment of skin diseases. She performs physical examinations, prescribes, interprets laboratory tests, and performs skin biopsies and surgery.

Mrs. Corgan Mitchell is originally from Kingston, Pennsylvania, and is moving with her husband, Brian, to live and work in Champaign. She has loved living in the Midwest the past several years and is so excited to start a new adventure in Champaign. She enjoys reading, baking and exercising in her free time.

I strive to give each patient the absolute best care and treat each patient as I would my own family or friends. Being sick can be scary and confusing and I do my best to help patients along this journey.

CHRISTIE CLINIC

We listen. We care.
