

Meet Your Physician Assistant

Jennifer Winkleman, PA-C

Why I Became a Medical Provider

"I had major surgery when I was a child, and it was then I decided I would make a difference in people's lives. I vowed to treat people better and to listen to them."

BS

Health Science, Rutgers University and the University of Medicine and Dentistry of New Jersey

Certification

Certified Physician Assistant by National Commission on Certification of Physician Assistants

Professional Memberships

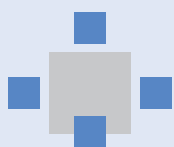

American Academy of Physician Assistance
Society of Dermatology Physician Assistants
Florida Society of Dermatology Physician Assistants
Illinois Society of Dermatology Physician Assistants

Department of Dermatology

As a Physician Assistant in the Department of Dermatology, Jennifer cares for diagnosis and medical treatment of skin diseases. She performs physical examinations, prescribes, interprets laboratory tests and performs skin biopsies and surgery.

I love to read and garden, and I raise butterflies. I also enjoy working with the young women in church and spending time with my daughter when she visits.

I want patients to feel heard and to know I will do everything I can to improve their symptoms and quality of life.

CHRISTIE CLINIC

We listen. We care.
